The Child Safe Framework or equivalent sets out the responsibilities that all Clubs and Participants within your organisation/sport (including parents) have to keep our kids safe. It consists of:

- **Calisthenics Victoria/Berwick Calisthenics Club's Commitment Statement for Safeguarding Children and Young People (or equivalent)];**
- **Calisthenics Victoria/Berwick Calisthenics Club's Policy for Safeguarding Children & Young People (or equivalent)];** and
- **Calisthenics Victoria/Berwick Calisthenics Club's Code of Conduct for dealing with Children & Young People (or equivalent)].**

WHY YOUR CHILDREN'S SAFETY IS OUR PRIORITY:

1. We love Calisthenics. We also love your kids participating with us and want them to keep participating. Yet we realise that they have to FEEL safe to enjoy Calisthenics and want to keep coming back.
2. All kids have a right to feel safe, be involved and have a voice in decisions that affect them*.
3. Society has changed, and with it, higher standards of behaviour are now expected – of all of us. Sometimes, even though we have good intentions, others' *perception* of behaviour is different. So, we want to help you to understand how we will work with you to protect your children.

WHAT WE'RE TRYING TO DO:

We're here to help. Victoria has legislative requirements and mandatory standards in place about child safety. We can't ignore those. But we want to make it as simple as possible for you, your kids and all of our Berwick Calisthenics Club volunteers, coaches and members to keep children safe.

We've developed simple resources for you to explain how we keep children and young people safe in our [organisation/sport]. This Guide also includes links to our other child safe resources that we hope are helpful for you to summarise and simplify the key commitments, messages and boundaries that we adhere to and practice at Berwick Calisthenics Club when they are part of our community.

SOME CHILD SAFETY GUIDANCE FOR PARENTS AND GUARDIANS:

You know your children best. Also, our schools now often teach their students about safety, boundaries with adults and that it's OK to speak up if they don't feel comfortable or safe. You can also help us to reinforce the key messages we have for children about child safety in [organisation/sport], just as in life.

The **three key messages** we have in our Child Safe "Teens Guide" are:

1. Calisthenics should be fun, safe and enjoyable.
2. You should never feel uncomfortable around others at Calisthenics, particularly adults.
3. If you don't feel safe or comfortable, it's OK to speak up. We want you to **tell an adult that you trust** – whether that's your Mum or Dad, guardian, coach or another member of your club or family.

We know that children are more likely to speak up if they **feel valued** and are **listened to** in an **authentic** and **genuine** way. So please help us to **keep the conversations open with your kids** about how they are feeling

SOME CONVERSATION TIPS TO TALK ABOUT SAFETY WITH YOUR CHILDREN:

It's not always comfortable talking to kids about how they are feeling in our [sport/activity] community or other environments. The delivery of conversations is just as important as the message or content itself. You're more likely to engage with children about tricky topics if the conversation is calm, non-judgmental and open. That is, you're listening carefully to them and open to hearing more – showing empathy and letting them know that they're doing the right thing by talking.

To open up a conversation with your child about safety in [sport/activity], first of all, choose the right time. Sometimes, you may get more information in casual interactions, such as when driving in the car or going for a walk together. You could try using an example that you have heard of with another kid and whether they had seen or heard anything similar. For example, *“another parent at the club told me that they were worried about how the coach is talking to their child. Have you seen or heard anything similar?”*.

IF YOU NEED HELP:

If ever your child tells you that they are not happy, comfortable or safe at Calisthenics, **please tell an appropriate senior committee person at Berwick Calisthenics such as your club's Coach or a trusted Club person**. Then we'll make sure that any issue raised is dealt with appropriately and in line with our Child Safe Framework (or equivalent).

If you reasonably believe[^] any child is in immediate danger of a significant nature, please call 000 to speak with police. You can also contact services such as Parent Helpline, NAPCAN, Lifeline, Kids Helpline and the Raising Children Network.

THREE IMPORTANT MESSAGES

The **three key messages** to always keep in mind are:

4. Calisthenics should be fun, safe and enjoyable.
5. You should never feel uncomfortable around others in Calisthenics, particularly adults.
6. If you don't feel safe or comfortable, **it's OK to speak up**. We want you to **tell an adult that you trust** – whether that's your Mum or Dad, guardian, coach, team manager, Club committee member or family.

YOUR RIGHTS

We believe that all kids involved in our sport should:

- Feel comfortable.
- Feel safe.
- Have a right to contact your parents/guardians or others if you feel unsafe, uncomfortable or distressed at any time when you are involved in Calisthenics.
- Be provided with clear directions and given the chance to positively change your behaviour if Calisthenics staff, coaches, volunteers or officials believe that you have broken any rules or policies, or you have misbehaved.
- NOT be subject to disciplinary action involving verbal or physical punishment, or any form of treatment that could reasonably be considered cruel, frightening, humiliating or like you are being put down; and
- Contribute suggestions or feedback about Calisthenics.

OUR COMMITMENT TO YOU IN CALISTHENICS

Calisthenics now has a Child Protection Commitment Statement that aims to make sure you are protected from harm. When involved in Calisthenics, we want it to be enjoyable for everyone. So, we'll try to make sure that activities are suitable for your age and development and are led by qualified people.

Berwick Calisthenics Club commits to:

- Doing our best to make sure that you are protected from harm.
- Supervising your involvement in Calisthenics in Victoria.
- Obtaining parent/guardian permission in writing before we can:
 - take you on an excursion.
 - arrange overnight stays or camps; and/or
 - provide transport to another location.

- Ensuring that **employee/coach/volunteer/official-to-teens ratios are maintained**. (Note - please check with us if you are unsure what is meant by “ratios”).
- Trying to make sure that **you are not alone** with staff, coaches, volunteers or officials where they can't be seen by other adults.
- Trying to make sure that **Berwick Calisthenics Club staff, coaches, volunteers and/or officials stay within their role**. This means that they cannot be employed for looking after you or visiting you at your home unless with the permission of your Parent/Guardian. They are not allowed to friend you on Facebook, take photos or footage of you for Instagram, YouTube, Snap Chat or other forms of social media unless they are doing this through official club communication channels with the consent of your parent/guardian.
- **Communication between you and coaches, officials and volunteers** in our sport must be regarding your involvement in Berwick Calisthenics unless your Parent/Guardian has given their permission for you to have contact with them at a particular time.
- **Guiding teens fairly, respectfully, and appropriate to their age and background.**
- **Reporting and responding to any incidents** of abuse or neglect towards teens involved in Calisthenics.
- Where and when possible, our **Berwick Calisthenics staff, volunteers and officials wearing a uniform and/or having an appropriate name badge visible** on when on duty.

What to do if you have concerns:

- If at any stage you feel uncomfortable, unsafe, or worried, you should let your parent/guardian or a trusted adult in Berwick Calisthenics know what has happened – they will want to support you.
- All you need to do is tell someone about what happened, and they will do their best to make sure that you feel safe and protected from harm.

WHAT RESPONSIBILITIES OF TEENS IN CALISTHENICS

When you are involved in Berwick Calisthenics, you also have some responsibilities. These include:

- Letting a member/parent/guardian know if you are unhappy or you don't feel safe.
- Treating other participants and adults with respect.
- Following the rules when involved in Calisthenics;
- Remembering that there are others involved in Berwick Calisthenics. You are certainly free to choose your own friends. However, don't stop other teens or younger kids from enjoying and participating in Calisthenics; and
- Listening to others and respecting their opinions.
